The screenshot displays a video player interface. The main content is a presentation slide with the following elements:

- TCC Logo:** Stylized letters 'T | C | C' with a red swoosh above and below.
- TCC Text:** "Training Centre in Communication" and "Train. Support. Empower".
- Slide Title:** "Improving Research Discovery Using the Open Access solution".
- Logos:** The "Dimensions" logo (a colorful geometric shape) and the "at" symbol, followed by the "UNIVERSITY OF GEZIRA" logo (a circular emblem with Arabic and English text).
- Date and Time:** "29 Sep" and "1 pm EAT. 12 pm CAT".

On the right side of the video player, there is a Zoom meeting window showing three participants in a grid view. The video player controls at the bottom include a play button, a progress bar at 0:00, a volume icon, a full-screen icon, and a menu icon.

Recording of the session:

About Gezira University

Established in 1975, **University of Gezira** is a non-profit public higher-education institution located in the urban setting of the medium city of Wad Medani, Al Jazirah. The **University of Gezira** was established to serve the community, and to link education with the requirements of development and make it more relevant to human and environmental needs. It is in the top 10 universities of Sudan and is one of the top 3 higher education institutions in Sudan with the highest research output.

About TCC Africa

The Training Centre in Communication(TCC Africa), is the first African-based training centre to teach effective communication skills to scientists. TCC Africa is an award winning Trust, established as a non-profit entity in 2006 and is registered in Kenya. TCC Africa provides capacity support in improving researchers output and visibility through training in scholarly and [science communication](#).
