About Public Library of Science (PLOS)

PLOS is a nonprofit, Open Access publisher empowering researchers to accelerate progress in science and medicine by leading a transformation in research communication.

Website: plos.org

About TCC Africa

The Training Centre in Communication(TCC Africa), is the first African-based training centre to teach effective communication skills to scientists. TCC Africa is an **award-winning** Trust, established as a non-profit entity in 2006 and is registered in Kenya. TCC Africa provides capacity support in improving researchers' output and visibility through training in **scholarly** and **science communication**.
