Training Centre in Communication (TCC-Africa) was honored to host the Namibia University of Science and Technology (NUST) to discuss Effective research discovery and Mitigation Predatory Publishing with Open Access Database, [Dimensions.ai](https://www.dimensions.ai)

Recording of the session

About Namibia University of Science and Technology (NUST)

Founded in 1985, [Namibia University of Science and Technology](https://www.nust.na) is a non-profit public higher-education institution located in the urban setting of the medium city of Windhoek. Known for being a trendsetter in higher education and applied research internationally, the Namibian University of Science and Technology (NUST) aims to become the leading university in Africa.

About TCC Africa

The [Training Centre in Communication\(TCC Africa\)](https://www.tcc-africa.org), is the first African-based training centre to teach effective communication skills to scientists. TCC Africa is an award winning Trust, established **as a non-profit entity** in 2006 and is registered in

Kenya. TCC Africa provides capacity support in improving researchers' output and visibility through training in [**scholarly**](#) and [**science communication**](#).
