11 MARCH 2021

11 AM EAT, 10 AM CAT

STREAMING ON

Dimensions

What steps has the Ministry taken in democratizing higher education through open access (partnerships, access to infrastructure and data)

What are the challenges that have arisen and also what opportunities has the Ministry taken advantage of in using open access and open science in

democratizing higher education in Zambia

What does the future hold for the Zambia academic community with open access?
