Are you aware of some of the open-access research tools that are accessible to you as an academic or early career researcher? How should researchers leverage these tools effectively to increase your research output and visibility? These are some of the questions that Ms. Joy Owango, executive Director at TCC Africa, used to guide and support the academic community at the Federal University of Agriculture, Abeokuta (FUNAAB) in using dimensions.ai

Train. Support. Empower

Using
Dimensions
to increase research output
and visibility in

**FEDERAL UNIVERSITY OF AGRICULTURE
ABEOKUTA
KNOWLEDGE FOR DEVELOPMENT**

9 Dec 12 pm EAT, 10 am WAT

TCC Africa

Recording of the session:

Fun Fact: Did you know that the oldest research record according to [dimensions.ai](https://www.dimensions.ai) from Nigeria dates back to 1834? I bet you did not

About FUNAAB

The Federal University of Agriculture, Abeokuta (FUNAAB) is located in **Abeokuta**, a town in Ogun state southwest Nigeria. As the name implied the **university** is an **agriculture-intensive university** and was established in 1988. FUNAAB was founded seeing the need to provide more skilled labor in **agriculture**.

About TCC Africa

The Training Centre in Communication(TCC Africa), is the first African-based training centre to teach effective communication skills to scientists. TCC Africa is an **award-winning** Trust, established as a non-profit entity in 2006 and is registered in Kenya. TCC Africa provides capacity support in improving researchers' output and visibility through training in scholarly and science communication.
